## 3. ACTIVITY: Create our *Image of Success*

- Based on our answers representing our organization's purpose, we are going to work on creating an Image of Success, in other words, what does success look like in five years for us? Always keeping in mind the core purposes we defined that stretched across all three posters:
  1. Celebrating student and educator artwork through exhibition opportunities, awards, and more.
  2. Acting as a resource for art educators, providing PD through publications, conference.
  3. Advocacy for art education through advocacy letters, expanding the perception of visual art education, NAEA, and more.

*Success is defined as favored or desirable outcome, the correct or desired result of an attempt.*
