Meeting Adjourned:

1. Important Board Update

Description: Jake recently informed the ECommittee that he has to step down from the president-elect position. We will be posting a call for letters of intent/CVs starting this weekend, with the hope to have an election for a new president-elect by mid April. Please share this with anyone who you think would be a good fit for president-elect/president.

Mel, Laura, Helen, and Jaimee are working to revise the President/President-elect descriptions so it is clear what the job entails.

10. Membership Discussion (Continuation of Feb Advocacy Discussion)

Description: From Feb Meeting:

- It's important to reach out to our colleagues about joining MAEA. It seems like a lot of universities are not advocating for NAEA/MAEA. The schools that have student memberships are great, because those students know about our association. Maybe Sohee can reach out to other schools to outreach, but will need some help with this as she is still new. She has been working to make some curriculum changes to connect Art Ed and Studio Art majors. She'd love to brainstorm with others about how to move forward. Advocacy would be happy to partner with you on this. A well-timed, well-written letter could be powerful. A round-table meeting could be a good start to

allow conversation between higher ed folks. If we had a pre-service director, that would be a great person to collaborate with.

- Do we do a discounted rate for membership at the end of May for graduating art ed students? Do we offer mock interviews or resume support? There is a first-year rate and preservice rate.
