

Hiring Art Instructor

Vineyard Artists is located at 430 Marrett Road, Suite 1, Lexington, MA and was founded by experienced artists and musicians. We are dedicated to enriching children's after school time with art and music by discovering and guiding their potential artistic talents. We inspire our students to be **creative thinkers, encourage them to take risks in the arts, and develop their sense of self-esteem, self-discipline and self-motivation.**

We practice *art integration* in designing our classes: through art classes, the students also learn about other subjects such as science, history, social studies etc.

Currently, Vineyard Artists is recruiting an artist and with the same philosophy as ours to accompany 4-12 year olds on their arts learning journey. The classes will be conducted in person at Vineyard Artists location.
