

## 2023 MAEA RECOGNITIONS JURIED VIRTUAL ART EXHIBIT

Piloted in 2018, the Massachusetts Amazing Emerging Artist **Recognitions** Exhibit is a juried show for grade 9 -12 students of Massachusetts Art Education Association (MAEA) members. This exhibition has been very successful with participation growing annually. Student entries are submitted digitally and judged (blind process) by a panel of art educators.

The 2023 **MAEA RECOGNITIONS** exhibit will be virtual, posted on the MAEA website. We see this as a real-life opportunity for students to express what is important to them in a visually powerful way. Presenting the exhibit online opens up the possibility of reaching a larger audience on a digital platform.
